

Flight Operations at Towered Airports

Preparation for the new tower at the Hammond, LA airport, from a pilot's perspective. We will review airport markings and discuss radio phraseology and communication requirements.

Directions: Go to "Fly By Knight" office, meeting room is across the lobby to the left.

A message from the National FAASTeam Manager

Invite a fellow pilot to the next WINGS Safety Seminar in your area.

Sign up for the FAA's safety services at www.FAASafety.gov!
